

American Lincoln Parts

American Lincoln Part - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines that are known in the business as durable and strong machines which suits the requirements of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company that is presently also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the brand name "Encore". American Lincoln could provide warranty service, machines and components for these scrubbers that have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency count. Recently, this floor scrubber model has been utilized by the architects in different construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on location because of the model's supreme performance level and high standard of quality for polishing concrete.
