

Fork Mounted Sweepers

Fork Mounted Sweeper - This particular accessory really makes industrial sweeping tasks much easier to finish. The versatile forklift mounted broom is designed for use with either dry or wet material clean ups. It can push snow and squeegee water with no trouble. This particular attachment is often used in order to clean trash from docks, parking lots, warehouses, construction sites and practically everywhere it is required. The lift truck sweeper is a low maintenance accessory that utilizes quick-tite fork products to effortlessly attach to the lift truck.
